Elections, the Time, Manner, and Scrutiny.

I. WHEREAS *many Incertainties and Inconveniencies happen for want of a due and regular Method of Proceedings at General Courts of Election, for Remedy whereof,*

II. *It is hereby ordain'd and appointed, That at every General Court for any Election, every Member having Three Shares in his own Right, shall, by himself or Proxy, lawfully authorized under his Hand and Seal, deliver in Writing a Note or List, containing the Name or Names of such Person or Persons (Members of this Corporation respectively Qualified, according to the Tenour of the Charter) as he thinks fit, to Serve and Execute the Office or Employment, for which such Election is to be had or made; and that at every General Election, each Elector shall deliver in Writing a List of the Names of Twelve Persons, having Twenty Shares in his own right. And that in case any Person shall deliver in Writing, a List of any more or less than Twelve Names of Persons qualified for Directors, the same shall be Reputed and Deemed as no Vote, and the said List and all the Names therein, shall be totally Rejected.*

III. *And that in case at any General Court of Election of Directors, or any Person shall in such List insert the Names of any more than Eight of those Persons, who were chosen into, and did serve the Office of Directors, the then last preceding Year, the same List shall in like manner be rejected.*

IV. *And that in case it shall happen that upon making the Scrutiny for any Election of Directors; any two or more Persons shall have an equal Number of Votes, the Election in such Case, shall be determined and settled by the General Court, in which such Scrutiny shall be Reported.*

V. *And that if any Member of this Corporation, shall hereafter use, or procure to be used, any indirect means to obtain any Vote or Votes, for the Election of himself, or any other, to be a Director of this Corporation, and be thereof declared guilty at a General Court to be called for that Purpose, such Person shall from thenceforth, for ever be Incapable of being Elected to, or Holding any such Office or Place.*

VI. *And in case, at any Annual General Court of Election, all the Twelve Directors for the preceding Year, or more than two Thirds of them shall happen to have the Majority of Votes for being Directors for the ensuing Year, that then the remaining one Third, or other less Number of the said Twelve (over and above two Thirds of them) as shall happen to have the fewest Votes, shall be removed, and such Four, or other less Number of the other Members of this Corporation, Qualified as aforesaid, who have the most Voices next to those so removed, shall be, and be deemed and reputed to be Elected to Succeed and Serve as Directors for the Succeeding Year, in the Stead and Place of those so removed, and shall be Admitted and Sworn accordingly.*
